★ **Auctioneer's comments:** Vern and Diane have felt the pull of the West: and who amongst us hasn't? Vern's passion is Bow hunting so they have decided to sell the bulk of their worldly belongings and strike out for new territory. Although we may envy them, it is a bonus for those of you that are staying behind, for they are selling an abundance of clean usable merchandise that is certainly a cut above average. This sale will be short but packed solid with treasures, so don't be late!
