Auctioneer's comments: Don was quite a sportsman, Duck hunting, trapping, and fishing the big waters of Lake Superior, Elk hunting, and more. In addition to his many outdoor pursuits he was also an impressive camp cook for many outfitted trips. A celebration of his life will take place at he and sally's remote hunting retreat on Saturday, on Sunday we will be conducting an Auction of both he and Sally's quality Hunting, fishing, and trapping items, executive quality cabin furnishings and household goods, shop and wood working tools, and much more, so come out and join us for a wonderful day in a beautiful location, it will be a clean and fun sale and a chance to gather some new toys.
