Larry Halvorson owner

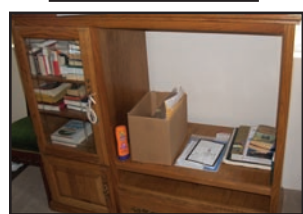

Auctioneer's comments: Those that know Larry are aware that he only owns the best -- the finest of everything. Whether it is firearms, furniture, or shop tools, it is going to be in excellent condition and of top quality. As a Millwright, Larry only turned out work of peerless quality, he demanded the same of the products he bought and owned. If you're looking for merchandise that is a "Top Shelf" brand and in many cases "show room new," you've found the right place.
